

KINGSGATE LOGISTICS TO OPEN THEIR FIRST SATELLITE OFFICE IN DAYTON, OHIO

July 26, 2018

Kingsgate Logistics, a family-owned third-party logistics company, founded in West Chester, OH, proudly announces the opening of their first satellite office in the Austin Landing area of Dayton, Ohio. Lead by onsite satellite office leaders; this 2550 square foot office will be home to 25 new employees. This location will primarily house sales representatives who live in the Dayton area and will include two private offices and a conference room.

“Kingsgate Logistics is a company that prides itself on a culture of restlessness and taking care of our employees,” says Jeff Beckham, owning partner. “As we continue to grow, expanding to new sites was a next logical step. We want to be leaders in our industry and are proud of our ability to provide meaningful careers and training for our team. We are excited to expand our contact with vibrant, growing areas such as Dayton, and reach more of the outstanding talent these areas offer.”

The company is excited to further its reach into the Dayton area, where it has won the Dayton Business Journal’s “Best Places to Work” for the past two years. This expansion is the first of several planned new offices throughout the region. Kingsgate is also currently expanding their headquarters in West Chester by 25 percent, to accommodate more than doubling in size over the past three years.
