West Chester, OH – Last week, Kingsgate Logistics, Inc. was named in the Cincinnati Business Courier’s Largest Women-Owned Businesses list, as well as the Dayton Business Journal’s Largest Women-Owned Companies list. Specifically, Kingsgate ranked 5th overall for the CBC’s Women-Owned Businesses list and 4th overall for the DBJ Women-Owned Companies list. Kingsgate, a family-owned and operated third-party logistics business, is proud to receive these two recognitions.

Kingsgate Founders Merry and Tom Beckham established Kingsgate through Merry’s vision for the business, which set the tone for continuing to empower women in the logistics industry. That tradition has carried on as her daughter Amy and daughter-in-law Julie are now owners and partners at Kingsgate. In a male-dominated industry, Kingsgate Logistics is proud to be a leader in supporting women in the transportation world.
